

## MACHINE-DATA

|                  |                                  |
|------------------|----------------------------------|
| Machinetype      | : Bench Drilling Machine         |
| Make             | : MAXION                         |
| Type             | : ECOMAX 14                      |
| Year             | : 2023                           |
| Control type     | :                                |
| Control          | :                                |
| Storage location | : Günzburg                       |
| Origin           | :                                |
| Delivery time    | : at short notice upon agreement |
| Quotation        | : Ex Works                       |
| Price            | : on request                     |

## TECHNICAL DATA

|                           |                 |
|---------------------------|-----------------|
|                           | 14 mm           |
| Boring power              | 15 mm           |
|                           | MK 2            |
| bore depth                | 70 mm           |
| throat                    | 180 mm          |
|                           | bis 275 mm      |
|                           | 529 mm          |
| table surface area        | 250x220 mm      |
| column diameter           | 65 mm           |
| Total height              | 890 mm          |
| total power requirement   | 0,6/1,0 kW      |
|                           | 420-2100 U/min. |
| weight of the machine ca. | 63 kg           |

## TECHNICAL DESCRIPTION

*Please notice:*

*We would be happy to make you a free offer. However, please understand that we only process inquiries with complete address details.*

*Machine with CE mark!*

*new machin*

*Domestic equipments:*

- *Stepless speed control*
- *Table adjustment via rack*

Bench Drilling Machine  
**MAXION**  
ECOMAX 14  
Stock no. :1035-04531

- 
- *Digital speed display*
  - *Full motor protection*
  - *drill protection*
