

MACHINE-DATA

Machinetype	: Boring and dowel inserting machine
Make	: GÖTZINGER
Type	: BLE - Video -
Year	: neu
Control type	:
Control	:
Storage location	: ab Werk
Origin	: Germany
Delivery time	: after arrangement
Quotation	: ex work
Price	: on request

TECHNICAL DATA

Bore diameter	variabel mm
Number of heads horizontal	1 St.
Number of heads vertical	0 St.

TECHNICAL DESCRIPTION

1 Göttinger dowel gluing and insertion machine BLE

With the BLE, the workpieces are glued and dowelled on the front. Optional the BLE can be upgraded with a drilling unit, counter milling unit and longitudinal stop will. A 10" touch panel allows easy operation for manual or online operation.

*Base frame: in a compact design, covered with sheet metal
Table support approx. 800 x 200 mm*

position 1

1 glue station

full jet valve

Glue quantity precisely adjustable

Glue gun for counter hole gluing

position 2

1 stainless steel glue pump, high-pressure pump and glue hose

item 3

1 press-in station with dowel separation and press-in cylinder

item 4

1 oscillating conveyor for dowels d 8 x 50 mm with feed hose into the injection unit

item 5

1 processing unit with cross table, linear guide and 3NC axis motors

X = 200 mm processing width

Y = 120 mm processing height

Z = 50 mm offset

item 6

1 positioning controller

Touch panel 10" color

500 drilling patterns can be created and saved, which can be easily accessed when needed

(1 drilling pattern can have up to 16 dowel positions)

Software prepared for ONLINE connection

With online control, the data for the control must be provided by the software be prepared.

Our machine can then read and process this data.

Total price in this version Pos. 1 to Pos. 6: on request!

Options with additional prices:

item 7

1 horizontal drilling unit, 1,000 W drilling motor

Speed 4,000 - 8,000 rpm, collet holder

Pneumatic drill feed

Surcharge: EUR 4,305.00

Additional accessories such as a larger touch screen,

Boring and dowel inserting machine

GÖTZINGER

BLE - Video -

Stock no. :1305-5710

*additional dowel station for additional dowel sizes or scanner for
Program selection on request!*

*Prices net plus statutory VAT, without packaging/shipping and without
Installation.*

(technical data according to the manufacturer - without guarantee!)
