

## MACHINE-DATA

|                  |                                         |
|------------------|-----------------------------------------|
| Machinetype      | : Vertical Turret Lathe - Double Column |
| Make             | : SEDIN                                 |
| Type             | : 1L532                                 |
| Year             | : 1989                                  |
| Control type     | : Siemens 840 D                         |
| Control          | : Siemens 840 D                         |
| Storage location | : Deutschland                           |
| Origin           | : Russia                                |
| Delivery time    | : short-term                            |
| Quotation        | : ex works                              |
| Price            | : on request                            |

## TECHNICAL DATA

|                           |               |
|---------------------------|---------------|
| faceplate diameter        | 2800 mm       |
| swing diameter            | 3200 mm       |
| turning height            | 1500 mm       |
| slide adjustment          | 1200 mm       |
| turning speeds            | 50 U/min      |
| Control                   | Siemens 840 D |
| side head - cross travel  | 900 mm        |
| power capacity            | 55 kW         |
| workpiece weight          | 16 t          |
| weight of the machine ca. | 50 t          |

## TECHNICAL DESCRIPTION

*The engine was rebuilt in 2008/2009 to CNC control Siemens 840 D.*

*The right support is operated CNC and the face plate.*

*The left side of the support and assistance are conventional.*

*Acu Rite Digital Display*
